ABOUT ACADEMY ON CLICK

Institute Management System

Academy on click is a web-based portal that has separate dashboards, roles, and services for different users, any university, School or Colleges can be automated and digitalized after implementing Academy On Click.

Academy On click

With a user-friendly interface you can put it to work with all circles of the institute

CUSTOMIZED

Customized dashboard for each user

ADAPTABLE

SUPPORTED

Need help?
We are here for your support

INTEGRATED

With multiple user interface it has now become easy to collaborate and manage

REAL TIME VISIBILITY

Provides one version of the truth without system hiccups

SECURED

Real-time risk management tools give you additional security

Academy On Click – User Profiles

Administration

Assists You To Efficiently Manage The Academy

Instructor

Assists You To Efficiently Manage Your Attendance, Classes

Parents

Assists You To Up-to-date For Your Child Academy.

Visitors

Assist You To Efficiently View Programs And Its Track

Student

Assist You To Efficiently Manage Your Courses

Librarian

Assists You To Efficiently Manage Library

ACADEMY ON CLICK – USER PROFILES
